

## **NEWSLETTER 24 – 16<sup>th</sup> March 2018**

Dear Parents, Pupils & Governors,

### **Sports News:**

- Athletics – Congratulations to our Athletics team who got through the Regional Finals on Thursday.
- Boys Football – On Thursday our Boys team played St Mary's RC Primary School. After a hard fought match

**Science Week** – We celebrated British Science Week on Thursday with an exciting day of watery activities. Children in KS1 enjoyed 'Bubbles and Balloons' and were excited by giant bubbles and whizzing balloons and were encouraged to explore the properties of materials by looking at the shapes of bubbles and whether you can stick a skewer through a balloon. KS2 children explored all the amazing properties of water with 'It's Only Water'. They explored absorbing water effectively, dissolving chemicals in it, and learned that you can squash, freeze and heat water to do all sorts of things. This interactive show saw children (and teachers) get a little wetter than they had expected!

**Clerk to Governors** – We have a position available for a Clerk to Governors. This paid role includes the preparation of agendas and minutes for the evening meetings of the Governing Body. Applicants should be computer literate with excellent communication skills and training will be given. Please contact the office for further information.
