Dear Parents, Pupils & Governors,

Science Investigations – Children in Mrs Greygoose's class have been investigating forces in their science work this week. They designed and evaluated tests to see whether large of small cylinders roll the furthest. Not all the baked bean cans survived the experiment!

Greek Drama – Year 3 and 4 have been exploring the time of the Ancient Greeks through drama – they explored the mystery of a box found buried on a Greek farm. There were able to look back in time and talk to a Grecian lady whose house was being attacked by the Spartans!

Girls Football – Our girls football team took part in the area finals on Wednesday, they all played very well against some experienced teams and we were very proud of them. Thank you to parents for transport and support.

Clothing Collection - 18th & 19th June 2012

So then here it comes again time for a clearout before the summer holidays get here.....please bag up (in any bags you have) your old clothes, towels, shoes, belts, curtains and anything else that falls into the brackets above. This raises lots of money for school and is a great way to have a clearout. If you haven't got bags or want them collected from home can you give us as much notice as possible then we can help you out with that. Also this doesn't just have to be from your household, if you have friends or family that are willing to donate to us then this would be fantastic - it all adds up....
