

NEWSLETTER 32 – 22nd May 2014

Dear Parents, Pupils & Governors,

Road Safety Poster Competition - Congratulations to Georgia Cutting, Henry Clarke and Kayla Botha for their winning poster designs in the competition organized by our Junior Road Safety Officers supported by the Parish Council. The posters will now be turned into new road safety awareness signs for the village. Thank you to everyone who entered the competition. Pat Daly of the Warwickshire Road Safety team recently visited and commented on how fantastic the schools attitude to road safety was and how we were a superb example of how children should be involved.

Reception go on 'Holiday' – On Thursday the Reception children brought in packed suitcases to go on 'holiday' to conclude their topic on Transport and Journeys. The children made passports which they had checked and stamped at passport control. They then boarded the plane handing their tickets to the air steward and had their baggage checked in. After the flight the children arrived at their hotel where they were able to change their clothes and explore the surroundings. Everyone had a really exciting day!

Summer Fayre

Further to our initial idea of a theme for the Summer Fayre we have, for various reasons, had to change course. So this years summer fayre theme is

‘RIO’

So this could be Rio...Carnival dress up
Or...
Rio 2014 World cup

Either way it's going to be bright and loud and on top of the lots and lots of fun.

So get your name down to help as soon as you can, there is a list of the stalls in reception and it's as simple as popping your name down for the timeslot that you are able to.

We will be having a meeting after half term to get everything and everyone together and we will go from there but as always we can't do this without your help!

~~*Have a great half term*~*~*
