

## **NEWSLETTER 35 – 20<sup>th</sup> June 2014**

Dear Parents, Pupils & Governors,

**Primary Science Teacher of The Year** – Congratulations to Mrs Greygoose who has been given the Primary Science Teacher Award by The Primary Science Teaching Trust. This is in recognition of her outstanding contribution to development of science teaching and learning in our school and in the wider community. As part of the award our school has been awarded £1000 to spend on new science resources.

**Road Safety Signs** – The winners of the Junior Road Safety competition visited ‘Sticky Media’ last week to see their designs being made into signs. We will let you know when they will be erected in the village.

**Trail of Tears** - On Wednesday some of our year 3, 4 and 5 pupils took part in an intercultural performance with 17 other schools and groups at Stratford Arts Centre. Our children gave a musical drama presentation of the plight of the Native American people. I am sure their parents would agree that the children put on a fabulous show!

**RE Day** – On Thursday we were joined by Lizzie McWhirter from the Diocesan Board of Education for a day exploring the mystery of the Holy Trinity. Each class shared what they had learnt in Collective Worship at the end of the day.

**QuadKids Athletics** – All children took part in 4 events, sprint, distance, throwing and long jump - all performed well. Thank you to parents for support and transport.

**Parent Questionnaires** – Parents with children in Reception, Year 1 or 4 have been asked to complete a questionnaire about their views of our school. Please return them by Monday 23<sup>rd</sup> June – the feedback is an important part of our self-evaluation and improvement planning.

**School Uniform** – Please ensure children come to school in the correct school uniform and appropriate footwear – trainers are not allowed except in PE lessons.
