KS2 - Times Table Rock Stars Day

On Tuesday, Key Stage 2 enjoyed an exciting, Times Table Rock Stars Day, filled with energy, enthusiasm and plenty of mathematical fun. The children and their teachers arrived in fantastic rock star outfits, ready to celebrate their times tables in true superstar style. The teacher's costumes were especially wild and certainly worthy of their own spotlight! Throughout the day, pupils took part in a range of activities designed to build confidence, speed, and accuracy with their multiplication facts. It was wonderful to see everyone fully embracing the theme and supporting each other with such positivity.

Well done to all our rock stars for making the day such a huge success! 🎸 ✨

Reception

This week our Reception children were thrilled to welcome visitors from the Air Ambulance team. The crew arrived to share the important work they do in helping people during emergencies and the children were fascinated to learn about the helicopter, the equipment they use and how the team works together to keep people safe. We are very grateful to the Air Ambulance team for giving our youngest learners such an exciting and memorable experience!

We have had an enjoyable week, and everyone has once again been working hard. In our assemblies, we have continued to focus on compassion, thinking about how we can behave in ways that encourage sharing and understanding with others.

This has helped the children reflect on how they can be a good friend and promote positive behaviour and kindness within our school. Rehearsals for our Christmas production are now well underway, and we are busily preparing Christmas decorations, Christmas lunch, and planning for our final week of festive fun!

It is quickly becoming a very busy time of year, but certainly one filled with excitement. I hope you manage to have an enjoyable weekend and that the weather is a little warmer!
